

About

An advanced surveillance platform to improve the EUropean Multi Authority bordeR Security efficiency and cooperation

Vision

- 

Support Border Control Operations

 - Expand common security and risk assessment practices
- 

Improve Situational Awareness

 - Improved sensing capabilities in wider border areas
 - Enhance critical quality characteristics of aerial and ground-based sensor platforms
- 

Increase Operational Efficiency

 - Multi-authority cooperation
 - Surveillance of sensitive land and sea regions

Consortium

Funded by the European Union
